

EMAIL TO PARENTS JUNE 2017

TO ALL PARENTS/GUARDIANS OF YEAR 12 parents

Please could I remind all parents of Year 12 students that they must be in school at 8.25am without exception.

All students are required to attend morning registration, regardless of whether they have a free lesson during Period 1 and failure to attend affects the students' attendance data.

May I also remind you that students will not be allowed to drop any subjects until the start of Year 13, and should therefore be attending all timetabled lessons until the end of the summer term.

During study leave, we reviewed and updated the Sixth form dress code, and details of this can be found on the school website. In brief, we have relaxed the dress code to Appropriate School Wear. One non-negotiable factor is that students will be expected to wear their ID badges at all times while on the school campus, and will be asked to go home and get it if it cannot be produced.

Please note: if your child is ill, in order to authorise the absence you can either call our Sixth Form Office on 0208 551-9378 or email [sixthformabsence@bealhighschool.co.uk](mailto:sixthformabsence@bealhighschool.co.uk)

Many Thanks for your continued support,

Miss J Hooker

Director of Achievement and Progress - Year 12
