

PERFORMANCE

The PE Department are committed to giving our talented students opportunities to represent and compete for our school. We compete in a number of sports and our teams enter competitions, ranging from District to National Level. We have enjoyed success in recent years in football, cricket, netball, and athletics. Our success has come as a result of the hard work and determination of our students and the expert coaching delivered by our PE department.

Selected students train weekly with the rest of their squad and are expected to balance their sporting and academic commitments. We also look to our students to be good role models around the school and conduct themselves in a professional manner. The PE Performance Programme is a leadership opportunity for our talented older students to pass on their knowledge and experiences to younger students.

Please see below our PE Co-Curricular timetable for the training sessions available to students.
