## Maths

Head of Department - Ms W Finan

<u>Co-Curricular Offer</u>	<u>Brief Description/ Membership Criteria</u>
Chess (and other board games....) club (Weds and Thurs lunchtime)	Open to all years, limited to first come first served.
Astronomy Club	Open to all year 9, 10, 11. Run by Miss Augustin and Mr Yates. We meet every week after school, make models, use telescopes, do research, do experiments, go on trips to astronomical sites. We learn all about all aspects of astronomy: planets stars, galaxies, extra-terrestrial life and the Universe. And students can take the Astronomy GCSE if they wish.
Year 11 Mathematics masterclass	For year 11, Autumn and Spring terms. After school, fortnightly. We will explore aspects of mathematics beyond the GCSE curriculum, to stretch your mathematical thinking – and in particular apply mathematics to real-world, scientific and astronomical problems
