Redbridge Music Service offers high quality music lessons for children and adults of all ages and abilities. Whether you are starting from scratch or looking to develop your skills further, our experienced tutors can guide you to fulfil your musical potential through fun and engaging weekly lessons. We can also provide an instrument for you to learn on.

Lessons in Schools

Lessons at the Redbridge Music School

We offer a number of subsidised lessons outside of school hours at our specialist music centre in Hainault. These lessons are accessed via audition and students are expected to be approximately Grade 3 to be eligible to apply. For further details of how to apply please email our admin team.

Adult Lessons

We offer individual music lessons for adults on a wide range of instruments at our music centre. If you are interested in adult lessons, please complete the online enrolment form and we will contact you with further details.

Instrument Hire

We are able to offer instrument hire to anyone who receives lessons through the Music Service or attends one of our ensembles. Instrument hire is payable via direct debit.
