# Welcome from the Geography Department

# Geography Year 6 Summer Challenge

*Hello everyone,*

*The Geography department hope you and your families are keeping well.*

*We would like to set you a challenge over the summer break to be creative and make a salt-dough map of one continent or country of your choice. The best salt-dough map as chosen by the department will win an Atlas or a Globe (as chosen by the winning student).*

*An example is seen to the right . All you need is flour, salt and water (some paints and cardboard may also help!)*

# How to enter

- *Go to this link for a step-by-step guide:*

*<https://www.weirdunsocializedhomeschoolers.com/step-by-step-to-making-salt-dough-map/>*

*(alternatively, you can Google 'how to make a salt-dough map')*

- *Send either a picture or video link of your map to [bealgeog@bealhighschool.co.uk](mailto:bealgeog@bealhighschool.co.uk) and the department will reward the best one!*

*Best Regards,*

*The Geography Department*
