- **26%** of students have achieved a 7 to 9 in both English and Maths GCSE
- **86%** of our year 11s are expected to continue their studies at the Beal Sixth Form across the two campuses
- **100%** are expected to have secured progression routes into post 16 study

Hamna Shahzad and Tasrif Khan achieved ten grade 9 GCSEs, which is fantastic and testament to their hard work.

Six other students achieved 7 or more grade 9s.

Shadman Topodar "I'd like to thank all my teachers and my friends, without them this would not be possible. The grade I'm most proud of is the 9 in Computer Science as it's such a challenging subject. I can now move into sixth form and continue my journey into computer software and AI."

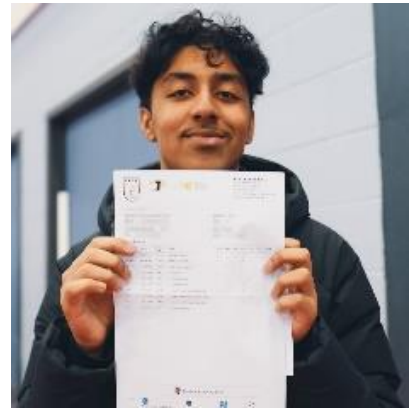

Zayna Anwar: "I got a 99 in Science, a 9 in Maths and a 9 in History. I want to thank my Maths Teachers, the whole year team and the history teachers who took me to Berlin! Finally, I'm excited to focus on doing incredibly well in my A levels."

Arnob Ghosh: "I got 9 9s at GCSEs, I am so happy with my results. I'm looking forward to continue my academic journey at Beal, I'm taking Biology, RS and Chemistry. I would like to say thank you to my teachers and a huge thank you to my Mum for the support she has given me"

Tasrif Khan: "I am most surprised with History. I thought I was going to get a 5 but I got a 9. In fact I got ten 9s. I would like to thank all of my teachers."

Mr Tubb, Vice Principal, Head of Upper School said:

'Results across the school have risen since last year in all performance measures. Our students have done fantastically well, their GCSE grades are a real credit to their excellent attendance, hard work and commitment.'

'We are proud of all of our GCSE students and all the staff who teach and support them. We are delighted that the vast majority of them will continue their studies at the Beal Sixth Form'
