

Key Stage 3 curriculum overview

Curriculum at BCD includes core subjects such as Math, English and Science, as well as Geography, RE, PE, PSHE and life skills. Lessons taught within BCD will mirror the content that is being delivered within mainstream lessons to enable pre and post teaching of concepts (with the exception of life skills).

Key Stage 4 curriculum overview

Students attending BCD will be working towards either gaining an alternative formal qualification -through Functional Skills in English, Maths and ICT in Years 9, 10 and 11 and an Entry Level pathway qualification in Humanities- or a GCSE in the core subjects as well as in their GCSE option choices which can be accessed in mainstream in Years 10 and 11.
