

## Transitions Programs for Year 7

The transition program will start in July for Year 6 students who will be joining BCD in Year 7 in September. This will consist of 4 transition days weekly in July to help students settle and get used to their surroundings and staff.

Our transition programme will include lessons in mainstream and at BCD to give them a true experience of transition and they will stay to have lunch in the canteen on those days.

We will also be inviting parents for an initial assessment to form the student passports prior to their arrival in September. We will also be holding a parent welcome at the end of the transition period in July to gather feedback about progressions.
